## ***Service-Learning Professional Development Series*** **Engaging Students Through Service\***

### **Environmental Education Workshop**

**(\$30 per person)**

**Tuesday, January 26, 2010 4:30-6:00pm**

**Location: Ross Elementary, San Diego**

Gain on-site **environmental projects ideas** for in-school and afterschool, and learn how to **effectively use service-learning as a tool to teach environmental education.**

### **Reflection Connection: Serve<->Connect<->Learn**

**(FREE)**

**Thursday, January 28, 2010 4:30-6:00pm**

**Location: San Diego**

Reflect and connect with **educators, students and community organizations** about simple and easy ways to engage students through service, sharing project ideas, best practices, and resources.

### **An Introduction to Service-Learning**

**(\$50 per person)**

**Thursday, February 11, 2010 4:00-7:00pm**

**Location: Ross Elementary, San Diego**

Integrate **community-service with academic learning** in the classroom or after school.

### **Character Education Workshop**

**(\$30 per person)**

**Thursday, February 25, 2010 4:30-6:00pm**

**Location: San Diego**

Learn the **nuts and bolts of character education, project ideas** for in-school and afterschool, and how to **effectively use service-learning as a tool to teach character education.**

### **STEM (Science, Technology, Engineering & Math) Workshop**

**(\$30 per person)**

**Date TBD, 4:30 – 6:00pm**

**Location: Ross Elementary, San Diego**

Engage all students in STEM courses by **using service learning as a tool to teach STEM curricula.**
